Starting point: Tjoflot. Drive from route 572 on the Ulvik side of the Hardanger bridge onto road 302 for Tjoflot. Drive to the end of the road 302.

Parking: By the end of the road at Tjoflot.

Parking fee: NOK 50 (cash payment)

Length: 6 km one way

Total ascent: 1,000 meters

Total walking time: 3-4 hours one way

Season (average year): June - September

Challenging

About the trail:

Very demanding hike and partly steep. Be aware of steep cliffs. Very beautiful and rewarding views on the top and on the way. You pass Vindhovden summer pasture farm on the way. This is a challenging hike requiring sturdy hiking boots and proper hiking equipment. In spring time, Oksen is also popular for skiing. One has to be extremely cautious with the steep cliffs.
